

RECYCLING & REUSE FACILITIES IN GENESEE COUNTY

Free services unless noted otherwise

 **Indicates facility accepts hazardous waste – listed items only** 

CLEAR INFO from computers & cell phones! Investigate disk & cell phone wipe software on your search engine or consult a professional. Moving documents to your trash bin does not delete it. Remove your SIM card if phone numbers are stored on it.

BOXES: Cereal, cracker, pasta, pop, tissue boxes are box/paper board (no ridges) NOT cardboard. Take to facilities accepting boxboard.

PLASTIC: Facilities accepting #1 and #2 plastics accept bottles and jugs ONLY. GLR in Flint Township accepts #1 - #7 (no Styrofoam or bags).
NEVER COMBINE FLUIDS OF ANY KIND FOR RECYCLING!

Compiled by Keep Genesee County Beautiful. To provide updates, please contact Holly at 810-767-7184 or hollylub@umflint.edu.

WHAT IS HAZARDOUS & ELECTRONIC WASTE?

Hazardous waste is comprised of household and electronic products containing dangerous chemicals and heavy metals that, if tossed into your trash, will leach from the landfill causing air and water pollution. Waste is collected in May and October. Check dates and locations at <http://web1.msue.msu.edu/genesee/natres/hhw.htm>

Any item whose label notes the product as toxic, corrosive, flammable or reactive are considered hazardous. Many products in your home, on your shelves in the kitchen, bathroom, basement and garage require special disposal procedures including:

Oil-based paint	Prescription drugs	Herbicides	Pesticides
Solvents	Paint thinners	Fungicides	Insecticides
Stains	Household cleaners	Used motor oil	Degreasers
Adhesives	Waxes	Antifreeze	Tube fluorescent lights
Degreasers	Aerosol cans	Gasoline	Compact fluorescent lights
Brake fluid	Transmission fluid	Car batteries	Home-use batteries
Tires	Thermometers (silver)	Fertilizers	Cell phones
Stereo equipment	Televisions	DVD players	VCRs
Computer monitors, printers, towers		Video cameras	Copier/fax machines

Latex paint: Not hazardous waste, it can be discarded in your trash can after solidifying or better yet, donate unused paint to an organization or art group that can use it.

ON-LINE RESOURCES TO REDISTRIBUTE ITEMS

www.craigslist.org

Local lists available for selling or buying merchandise. No charge for this online service.

www.freecycle.org

<http://groups.yahoo.com/group/GCFN/>

<http://groups.yahoo.com/group/FlintareaFreeShare/>

All are local lists available for giving away or obtaining free items. No charge for these online services.

OTHER PLACES TO RECYCLE

Athletic Shoes: Nike accepts any brand of old athletic shoes (no cleats/metal) for their Reuse-A-Shoe program. More than 20 million pairs of shoes have been processed and recycled into material for

courts, athletic fields and playgrounds. Drop-off centers and mailing info listed at www.letmeplay.com/reuseashoe/program .

Computers: This website lists manufacturers that have computer take back programs. If in working condition, donating it will allow others to use it. More info at www.computertakeback.com .

CDs/DVDs: Individuals, organizations and companies can recycle pre-shredded or whole discs, cases and paper inserts. Mailing info listed at www.cdrecyclingcenter.com .

Gift Cards: Mail expired gift cards (no rubber bands, clips or paper) to Earthworks c/o Halprin Ind. at 25840 Miles Road – Bedford, OH 44146. Encourage retailers to accept expired cards & purchase Earthworks Systems cards made from 100% recycled plastic. Info at www.earthworkssystem.com .

Golf Balls: Accepted at G.S. Bowman's in Clarkston or Carl's Golfland in Brookfield. Receive \$1 credit for every Dixon brand golf ball recycled and \$.50 for other brands. Info at www.dixongolf.com .

Greeting Cards: Reuse by cutting off backs to use as postcard, gift tags or craft a new card from old ones. You can send greeting cards to St. Jude's Ranch, a non-profit troubled youth, where the children turn them into new cards which can be purchased. Info at www.stjudesranch.org .

Tennis Balls: Rebounders prepays shipping for 100 or more balls (partner with an athletic club and schools). Less than 100 accepted and sender pays shipping. Info at www.rebounders.com .

Styrofoam Cups/Trays: Dart Container has drop-off facilities throughout the state. Go to <http://www.dartcontainer.com/web/environ.nsf/pages/enrecy.html> and select the Michigan County Site list. Give your styrofoam to a friend living near a site or plan your travel route to take you near a site. Organize a neighborhood collection and schedule a fun outing combined with a trip to the drop-off site.

Household Goods: Items in working order should be sold or donated so they can be reused. Goods in non-working order can be recycled.

***Items made primarily of metal and not plastic, such as those listed below, can be recycled.
Genesee Recycling and Lorbec Metals, both located in Flint
(addresses on pages 2 & 3), accept the following items:***

• **Major and small household appliances**

Washer, dryer, stove, refrigerator, dishwasher, furnace, water heater. Smaller items made primarily of *metal* and not plastic may include fans, toasters, coffee pots, clothes irons, curling irons, hairdryers, floor/table lamps, light fixtures, ceiling fans and vacuums cleaners.

• **Garage items**

Some examples would include lawn mowers, rakes, saws, screens, ladders and car parts (tires must be disposed of at Household Hazardous Waste Collection).

• **Outdoor items**

Items such as lawn furniture, aluminum gutters or siding, hose reels, firewood racks, grills, fencing, wind chimes and bug zappers.

• **Basement items**

Some examples would include frames, boxes, filing cabinets, shelving, vents, hand tools, power tools, tape measures, miscellaneous metal parts and locks.

• **Other home items**

Some examples would include tea kettles, blinds, baking sheets and pans, cooking pots/pans/lids, fireplace inserts and screens, fireplace tools, ironing boards, folding tables and chairs and computer tower CPU units (not monitors).
